EASTERN WASHINGTON VETERANS TASK FORCE

2017 Directory of Members and Organizations

ABOUT THE TASK FORCE MEMBERS:

Eastern Washington Task Force members consist of Veterans Coordinators from local Institutions of Higher Education and officers of local Federal, State, County, and City Veteran agencies. Members meet monthly with a primary Task Force objective to share and acquire knowledge from other organizations and businesses whose services also affect Veterans.

Task Force meetings foster positive personal interaction among members which allows for enhanced service to our Veteran population. This positive interaction also aids coordinators and officers in the processing of obligatory technical paperwork, the interpretation of constantly changing federal regulations and funding sources.

If you want to be added to the directory or have a question for the entire membership, please email:
